# Honor Flight Syracuse Mail Call

**(THIS IS A SECRET)**

Honor Flight Syracuse will be honoring **Donald Davenport** with a trip to Washington DC to see memorials built in honor of veterans. Although visiting memorials is a very important part of the day, the true focus is about thanking veterans for the service and sacrifice they made decades ago for the freedom we enjoy today. Throughout the day, the men and women are overwhelmed by people who want to shake their hands, salute them and just say thanks. Although the veterans relish this recognition, they are even more proud when they are recognized by their own family and friends.

**This is where we need your help!** We are asking family, friends and all who appreciate the service given by Don to write a letter, card, or a note to thank him for that service. When he returns from the Honor Flight Syracuse on Sat. Oct. 3, there will be a ceremony honoring the men and women on the flight at around 6:30. Family and friends will greet Don as he arrives at the airport and will celebrate with him (open to all). **Mail Call** will be a big part of the ceremony and all mail that has been collected will be given to Don as part of the celebration. Don is very proud of his country and the opportunity he had to serve it.

Please help us with this special day by being a part of this recognition. You may hand your letters, cards or notes to Paul Davenport, Gloria Kempston or any family member – or you may mail to:

Don c/o Gloria Kempston  
929 Co. Rt. 21  
Hannibal, NY 13074

**Letters, cards, and notes must be received by Sept. 22**

This will be a great keepsake for Don and his family!

**PLEASE REMEMBER THE LETTERS, CARDS, AND NOTES ARE A SECRET**

Thank you in advance for helping to recognize Donald Davenport for his service to our country.

Paul, Gloria, and Family
